1 Ramadan 1444

Let the Quran Guide the Academic Achievements!
Support the Construction of HQA's New School

"The example of those who spend their wealth in the way of Allah is like a seed [of grain] which grows seven spikes; in each spike is a hundred grains. And Allah multiplies [His reward] for whom He wills. And Allah is all-Encompassing and Knowing" ***Qur'an 2:261***

Assalamu Alikum Wa Rahmatoh Allah Wabarakatoh
I pray to Allah to protect you and your family and shower you with His mercy in this Holy month of Ramadan.

HQA is a K-12 accredited school that combines academics with the Quran memorization and understanding in a unique way. HQA is accredited by Cognia, the most prestigious accreditation organization in the U.S.A and in the world, and is recognized by the United States Department of Education. Our PSAT, SAT, ACT, and IOWA scores are among the highest in the nation, alhamdulillah as it is explained below.

On behalf of HQA, I want to extend our gratitude to those who helped us in the past and those who will help us this year inshaa Allah. **We would like to invite you to participate in a continuous charity by helping us build a permanent home for our school and by supporting HQA's mission. No child should be denied the blessings of memorizing the Quran and excelling in academics because of financial inability.**

Appeal

In spite of the fact that HQA is one of the top schools in the nation in its academic and Quran achievements, we are still operating from mobile units**. We hope this will change soon inshaa Allah. HQA purchased a 5.3 acres** in a strategic location in Houston. The annual payment for the land is **$117,500**. We signed a contract with an architectural firm that lead the construction of several public and private schools in Texas. The first phase of the schematic drawings is almost done alhamdulillah. The design phase of the detailed drawings cost is about **$450K**. We are looking forward for your kind donation to help us get started with the construction of phase 1 of the project, which will be the development of the site foundation and underground work, which is expected to cost about a **million and half dollars**. Alhamdulillah, because of you, we have a wonderful community of supporters and your help has been a driving force for our high achievements. Please support HQA with your generous Zakat or Sadaqa donations during the holy month of Ramadan, the month of the Holy Quran. HQA is Zakah eligible and you can donate your Zakah to HQA.

For your convenience, we have enclosed a pledge form and a post-stamped envelope. Your donation will help us build our school and will help another child become the next Hafiz, Imam, scholar, and public servant of our community and country. This is your opportunity to invest with Allah (SWT) in a securing continuous charity. You may donate:

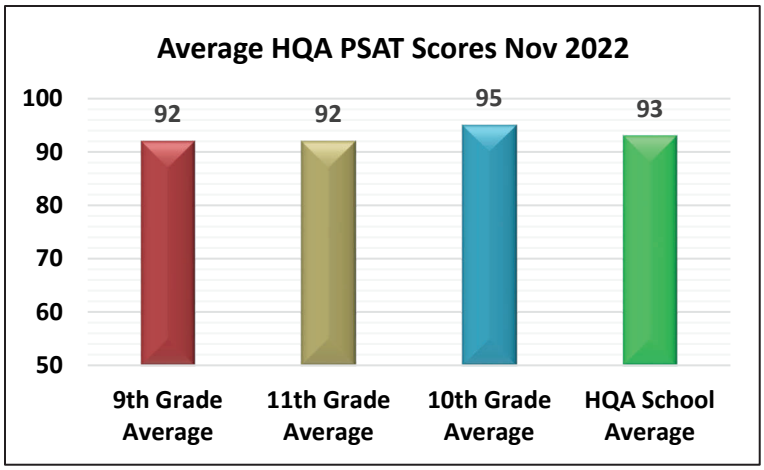
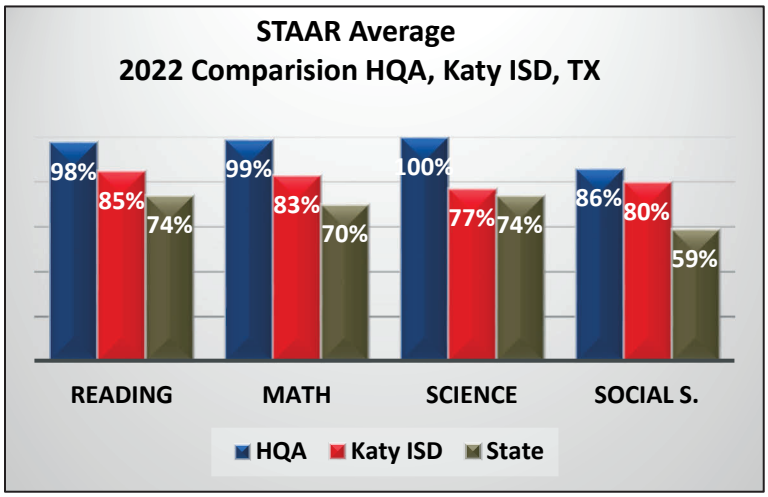
Houston Quran Academy

Achievements

HQA is driven by its Quranic vision, واجعلنا للمتقين إماما (O, Our Lord, make us leaders for the righteous), which is taken from verse 74 of Surat Al-Furqan. Here is an updated list of some of the major achievements of HQA, Alhamdulillah.

1. Seventy-eight students finished the memorization of the Holy Quran Alhamdulillah. They understand what they memorized and are able to derive lessons from each Sura.
2. HQA's students are able to read from any place in the Quran and write any Arabic word by the end of kindergarten. By the end of 1st grade, all our students become independent learners.
3. HQA's average student IOWA test score for the last several years is 88.7 percentile. The equivalent school average for this score is 98.4 percentile, which places HQA in the top 1.6 percentile in the nation.
4. HQA's average SAT score is in the 92.25-percentile compared to the national average of 60 percentile.
5. HQA's average PSAT increased from 92% in 2019 to 93% in November 2022.
6. HQA's average STAAR test passing rate in 2021 for grades 3 through 8 in English reading, writing, math, and science was 99% compared to 65% for the State of Texas.





Wassalamu Alikum Warahmatoh Allah Wabrakatoh

Hamed Ghazali, Ph.D.
Principal, HQA
